ANZCRO CONNECT
CHEAT SHEET

ANZCRO Connect is our self-service booking platform that allows you to create itineraries, search for packages, view and manage your bookings, plus lots more.

TIPS FOR MAKING ANZCRO CONNECT WORK FOR YOU

- Watching the 'Getting Started' video will provide you with the basic info you need to make a quote on Connect.

  View the video here:
  https://www.anzcro.co.uk/dashboard/help/videos/getting-started/

- For specific instructions on how to get started, or search for specific product types (e.g. accommodation, bookings, tours & activities), please visit the User Guide:

  View User Guide here:
  https://www.anzcro.co.uk/dashboard/help/guide/

- Clicking on the help icon ? at the top right of the screen when building your itinerary if you need help.

- We will check your booking before it is converted, but providing complete information makes this a much smoother and quicker process

- Please be thorough when you complete your quote. Incomplete information may mean losing availability and price changes.

> For more information about how to use ANZCRO Connect, or for a personalised tutorial, please contact your ANZCRO Sales Representative.
