"I would like to say that the assistance the clients received while out in New Zealand this year was second to none especially when the floods occurred. The clients were really impressed at the efficiency and attitude of the staff. Nothing was too much trouble and made a bad situation much better."

Liz Deacon, Spears Travel UK

"Thank you so much to Leigh Perkins at ANZCRO for all her amazing help on a huge 8-week itinerary for Australia. Nothing was too much trouble and her expertise and knowledge were very welcome."
